

Red Eye Damsel

By Morne Bayman

Materials:

Hook: 8 -12 4X Long

Thread: Colour to match Abdomen

Tail: Marabou tips

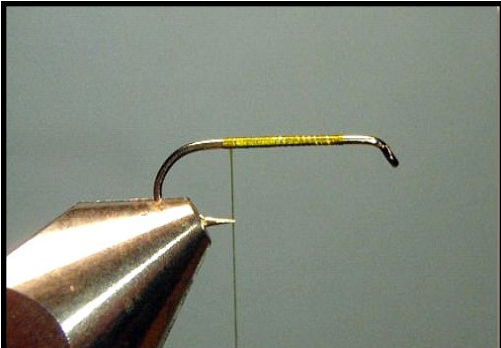

Abdomen: Marabou colour to match tail.

Thorax: Dubbing to match Abdomen

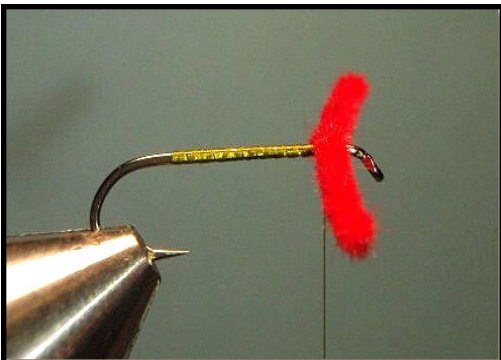

Rib: Fine copper/gold wire

Eyes: Red tuff Chenille

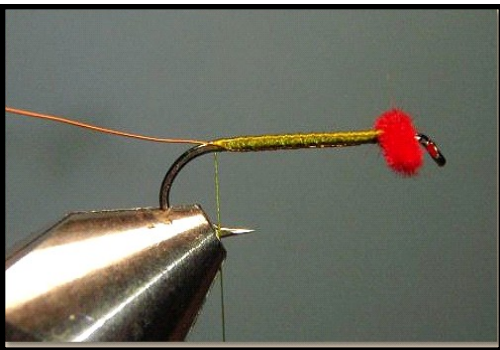

Step 1. Attach thread to hook.

Step 2. Attach chenille to front of hook and secure with figure of eight wraps.

Step 3. Tie in ribbing material

Step 4. Tie in marabou tail with a pinch loop and take thread forward.

Step 5. Wind the Marabou around the hook shank, but do not twist.

Step 6. Tie off Marabou and clip off excess.

Step 7 and 8. Secure the Marabou with the copper wire and to create segmentation. Spin a thin noodle of dubbing.

Step 9. Wrap the dubbing around the eyes with a figure of eight wraps. Form a small head and whip finish. Trim eyes to length.
