### 3 Rivers Fly Fishers Event Pics

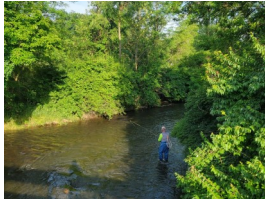

The National Wild Turkey Federation's "Women in the Outdoors" event at Isaak Walton in June was a great event. We held fly tying classes along with providing basic casting instruction.

Here are some pics of club members providing instruction to the ladies.

## St. Joe River Outing Report

The St. Joe River and Little Elkhart River outing in Bristol provided the group with a beautiful day of fishing. Here are some pics of the day including some of the fish that were caught in the Little Elkhart. Special thanks to Kevin Curtis and Warren Howell for organizing and serving up a great lunch to those who attended.

## Outing and Event Feedback

The events offered by the 3RFF are planned for you to not only enjoy a day of fishing but also to get to know other club members. If you have ideas for events or places that you feel would be good spots for this kind of event, please let one of the board members know. We want to make sure we are including your ideas in the planning future events.
