Michigan Anglers' Base Camp is located right in the center of Michigan's Lower Peninsula at Camp Rotary in Clare, Michigan. It has one of our country's clearest spring-fed lakes (550 acres) and over 1,100 acres of scenic rolling hills and fragrant pine trees, making it one of the most beautiful camps in the country. This is the perfect basecamp for all of your fly fishing adventures.

The camp runs weekly starting in May 2025. The cost of the camp is \$580 for the full weeks and \$385 for the one short week — all inclusive (does not include getting to and from camp). Reserve your choice of weeks at this spectacular fishing destination.

Guests will enjoy three full meals a day along with snacks and fruit to keep you energized throughout your days on the waters. The camaraderie and scenery are second to none and wildlife abounds.

Our location affords the opportunity to fish the waters throughout "northern-lower" Michigan, including on the Au Sable, Pere Marquette, and Manistee Rivers.
