## This Weekend!

September's Three Rivers Fly Fishers outing, on the White River

**Friday, Saturday and Sunday; September 12th - 13th and 14th**

Once again we will base out of the Canoe Country grounds right on the river just outside of Daleville, IN.

Easily located, just literally a few minutes off of I-69. For the time being, please refer to the club website at [3rff.org](http://3rff.org) or Google Maps for directions. Briefly, for those who may not have attended this outing before, there is limited space for tents, or small pop-up type campers available at the back of the property and reserved for our 3RFF outing. There are restrooms with flush toilets and hot and cold running water sinks, (no showers), available on site, and open 24 hrs. There are limited concessions available at the main office during business hours. There will be signs directing you to where we are located on site for the outing. There are numerous motel and restaurant options close by in the Anderson/Daleville area. We will probably gather at Birds BBQ on Friday night again this year, as this has become an annual tradition as well.

## Two important updates for everyone.

1 - Our general membership meetings will continue to be the THIRD WEDNESDAY of the month for the remainder of 2025. They will also remain on the third Wednesday of the month for the calendar year 2026 as well. They will still be held at the Classic Cafe Event Center on Hillegas Road, Ft. Wayne, IN.

2 - Starting this month and moving forward, the Board has approved opening the general membership meetings, where we have guest speakers presenting, to the public. This is not without restrictions however. All PAID "Members" of Three Rivers Fly Fishers - 3RFF, will be able to attend these functions at "no-cost" to the member.

A continued benefit of being a paid member of Three Rivers Fly Fishers. ALL other individuals in a "non-member" status, attending these meetings, will pay \$5.00 (five dollars) per person to enjoy the privilege of seeing one of our guest speakers give their presentation. ALL individuals will check in at the door upon entering, to be accounted for, and to receive your membership name tag or pay your fee for the evening's events, whichever applies. The Board reserves the right to make changes to these terms as we see necessary. These terms/conditions are consistent with what we have found other clubs are, or may be doing, in regards to their organizations meetings, outings or functions. We are hopeful that more people will now be able to enjoy what Three Rivers Fly Fishers has to offer and at the same time maintain the benefits and privileges of our paid membership. Thank you.
