

Larva Lace Blood Worm

By: Don Privett

Hook	Mustad 37160 8-16
Thread	8/0 Red
Tail	Red marabou
Underbody	Medium gold oval tinsel
Body	Red Larva Lace

Step 1: Start the thread at the middle of the hook and wrap it back to 1/2 way around the bend. Tie in the tail and then the Larva Lace. Move the thread to the middle of the hook again and tie in the gold tinsel.

Step 2: Make about 4 wraps of the gold tinsel to form the underbody, then tie off and trim. Move the thread to just behind the eye and begin wrapping the Larva Lace forward in tight wraps.

Step 3: Finish wrapping the Larva Lace forward to form the body. Leave enough room behind the eye to tie off the Larva Lace and trim it and finish with several half hitches.

Fish this fly on a dead drift under a strike indicator.
